Kansas Athletics, Lawrence, KS

Voice of Kansas Baseball and Volleyball, Aug 2017 - May 2018

Through a partnership with KJHK-FM, I've been able to work for Kansas Athletics as a play-by-play broadcaster. I am responsible for the radio broadcasts of every single Kansas baseball & volleyball game, including home and road outings. I conduct interviews with players and coaches as well before every call to ensure more access for the listener. I also do thorough research before each game to put myself in position for a top notch broadcast.
